

### Facilities for Living and Learning

Our unique campus was designed by the renowned architect Edward Durrell Stone and is an example of global modernist architecture. State of the art research facilities, advance cancer research, life sciences and nano-technology. There is an art museum, sculpture studio, performing arts center, and athletic complex with an indoor and outdoor physical education facility. Students live in residence halls (quads) and in on-campus apartments. A bus service is convenient to all major shopping malls and downtown Albany.
